## **RELEASE OF DOGS TO ANIMA**

Canidrome will close its activity on July 2018, by decision of the Macau Government.

In the past we were not capable to reach an agreement in spite of all Anima efforts.

This is now history as we have to go ahead and we both should send a message to our local community and to the international community showing that we were capable to compromise and reach an agreement for the sake of all those animals.

We are kindly asking you today, Mrs. Angela Leong and all the management of Canidrome, to release all those dogs to Anima and we are asking also the Macau Government to allow us to run Canidrome premises for one year time, after it finish its activity or whenever it decides to close the business.

I am sure that this is the best option for your organization, saving extra costs, and will please all the community that cares about welfare of animals. Everybody in the world will be very happy with your kind decision and will thank you for this beautiful act of mercy.

The transfer of all those dogs to Anima, free of any charge for our organization, will be made also without any future costs for Canidrome, as we will keep all animals and pay all future bills.

Anima is confident that it will be capable to raise the necessary funds to transfer the majority of those animals to several countries (mainly in Europe) where they will be properly protected by good standards of animal welfare laws!

We are kindly asking you also to convince the remaining owners of greyhounds in Canidrome to give also their dogs to Anima, with the same conditions above referred.

For one year time we are capable to keep around 10 of your handlers getting the same salary as our handlers, which rounds 8,500 patacas per month, 13 salaries per year!

Please be kind enough to help us convincing our Government that this is the best decision for a town that wants to be an International hub in the tourism industry and modernity!

Please help us to help them not sending any of those animals to environments that will not properly protect them.

Thanks for your kind support

Yours sincerely
