Our ref 003-04-2018-CE

Dr. Chui Sai On

Honorable

Chief Executive

Macau, RAE

China

ANIMA MAY HAVE TO CLOSE IN FEW MONTHS!

We have just applied to Macau Foundation to anticipate on April the second tranche of MOP 1.9 million patacas and we expect that the President Dr. Wu Ziliang will authorize our request.

The reason is simple, we need time to find new sources of financing and this year our situation is complicated with the departure of Steve Wynn and with the third of our great sponsor who saw its contract with a casino not to be renewed.

The anticipation of these funds from Macau Foundation will give us about three months to find alternatives or even to drastically reduce staff.

Last year Anima expenses rounded 10.07 million patacas, due to the opening of our second shelter, only for cats, and due also to typhoon Hato! Besides that Anima is responsible for handling the animals in Macau Government Coloane Kennel with handlers paid by us!

So, we handle three shelters in fact!

Our balance in 2017 was once again negative and we closed the accounts of 2016 with debts of MOP 2,319,704 and at the end of 2017 with debts of MOP 2,409,018.04!

Every year I myself have to lend around one million to Anima to facilitate the payments of the end of the year! Sometimes, I can not receive the money back and I have no other choice than to donate those amounts to Anima. Besides last year loan, my total donations to Anima rounds now 1.3 million patacas, mainly because Anima is not capable to pay me back! This can not continue forever!

As you may understand this financial situation only proves that the support from Macau Government is not enough for our activity. We have asked during so many years a better increase but we can not "force" anyone to understand **that we are**

Anima's financial situation, which is very problematic at the moment, has already been reported to Anima's board of directors and will be soon reported to Macau media!

I believe that, without being able to find new sources of funding, we do not have good expectations for the near future. **We are even in danger of having to close, dismiss all staff, and surrender all our assets (including animals) to the Macao Government, as it is imposed by our constitution!**

This may happen in the second semester if we are capable to get the anticipate funds from Macau Foundation. If we are not capable, we may even have close our activities in this May!

We need the help of the Macau Government!

As Macau Foundation can not provide more funds, we need other sources of income to pay 36 people working for us and the expenses of running so many animals in the shelter (672 dogs and cats) and outside (more than 2.290 animals, not including the Government Coloane Kennel animals that rounds 33).

Last year we have receive 137 groups of schools, associations (mainly Chinese), companies' groups and families and out total visitors reached 9,235 people! We have been invited to talk to Schools or Associations or participating in other entities' activities in 34 events!

Thanks for your strong support!
